

# Pharma Machinery & Spares

Manufacturer In Sticker Labeling Machines & Conveyors etc.

**Pharma Machinery & Spares** is situated in Ahmedabad & Baddi, Himachal Pradesh, We are Providing the best solutions for Packaging & Manufacturing Industries for material movement and handling, Pharma, Automotive, FMCG, Packaging and Appliances are few of the industries.

We have a complete solution for the Labeling Applications, We are manufacture and supplying all types of Automatic Sticker Labeling Machine for Round Bottle, Container, Flat Bottles, Square Bottles, etc.

We have a skilled & talented team of Electrical, Mechanical, and Design & Automation Engineers who are helping us to supply the excellent quality products to meet the customer expectation

## Our Clients

**Boideal Pharmaceuticals | Venus Remedies | Vip Pharma |**

**Medipol Pharma | Asha Biodeal | Lyka Laboratories |**

**Acme Lifetech | Helios Pharma**

## AUTOMATIC LABELING MACHINE

### ROUND BOTTLE ( Upto 1 Ltr.)

## SPECIFICATION & FEATURES

1. Product suitability : round bottle/round container ( above 1ltr )
2. Plc based control panel
3. Touch screen HMI operating panel.
4. Pneumatic roller assembly to rotate the jar /bottle (need air pressure approx 6-8 bar ).
5. All motors variable speed HMI .
6. Body & structure made of ss:304
7. Wheel & leveling pad assembly attached with machine
8. All dispensers adjustable with handle
9. Label dispenser with stepper/servo motors (cost diff. 25k )
10. Motor gear box – MGM VARVELL/BONFIGLIOLI
11. Sensor-make leuze electronic/sick
12. All live part enclosed with SS covers
13. Conveyor – length approx. 5-6 feet, ( plastic slat/SS slat )
14. Compact & robust structure, simplified operation, low maintenance

## AUTOMATIC LABELING MACHINE

### FLAT BOTTLE - LABELING ( MACHINE )

### SPECIFICATION & FEATURES

1. Product suitability: flat bottle.
2. Bottle feeding with –nylon screw or left right conveyor set (depend upon product).
3. Adjustable top conveyor/height adjustment with handle.
4. Adjustable bottle guides.
5. Plc based control panel.
6. Rotating touch screen HMI operating panel.
7. Body & structure made of ss:304
8. Wheel & leveling pad assembly attached with machine.
9. All dispensers with handle.
10. Label dispensers with servo motors (make-panasonic).
11. Motor gear box-MGM VARVELL/BONFIGLIOLI(speed control with VFD).
12. Sensors – make leuze electronics/sick.
13. All live parts enclosed with SS covers.
14. Conveyor-length approx.6-7 feet,width-115mm-150mm(plastic slat/ss salat).
15. Compact & robust structure, simplified operation, low maintenance.

## **AUTOMATIC LABELING MACHINE**

### **ROUND BOTTLE/ROUND CONTAINER (ABOVE LTR )**

### **SPECIFICATION & FEATURES**

1. Product suitability : round bottle/round container ( upto 1ltr )
2. Plc based control panel
3. Touch screen HMI operating panel.
4. All motors variable speeds with HMI.
5. Body & structure made of ss:304
6. Wheel & leveling pad assembly attached with machine
7. All dispensers adjustable with handle
8. Label dispenser with stepper/servo motors (cost diff. 25k )
9. Motor gear box – MGM VARVELL/BONFIGLIOLI
10. Sensor-make leuze electronic/sick
11. All live part enclosed with SS covers
12. Conveyor – length approx. 5-6 feet, width – 115 mm ( plastic slat/ss slat )
13. Massage belt pressure setting with single handle
14. Compact & robust structure, simplified operation, low maintenance

**PHARMA | PESTICIDE | AYURVEDIC | LUBRICANTS | LIQUOR  
| COSMETIC | HOME CARE PRODUCTS | FOOD PRODUCT |**

## **AUTOMATIC LABELING MACHINE**

### **TOP SIDE LABELING MACHINE**

### **SPECIFICATION & FEATURES**

1. Plc based control panel.
2. Touch screen him operating panel.
3. All motors variable speed with him.
4. Body & structure made of ss:304
5. Wheel & leveling pad assembly attached with machine.
6. Dispenser adjustable with handle.
7. Lable dispensers with servo motors (make-panasonic).
8. Motor gear box-MGM VARVELL/BONFIGLIOLI(speed control with VFD).
9. Sensors – make leuze electronics/sick.
10. All live parts enclosed with SS covers.
11. Conveyor-length approx.5-6 feet,(PVC belt).
12. Adjustable conveyor guides.
13. Compact & robust structure, simplified operation, low maintenance.

**PHARMA | PESTICIDE | AYURVEDIC | LUBRICANTS | LIQUOR  
| COSMETIC | HOME CARE PRODUCTS | FOOD PRODUCT |**

## AUTOMATIC LABELING MACHINE

**FRONT – BACK LABELING + ROUND LABELING + FRONT -  
BACK LABELING + TOP LABELING + FRONT – BACK  
LABELING + ROUND LABELING + TOP LABELING**

## SPECIFICATION & FEATURES

1. Product suitability: this is a customize labeling machine model-we are providing a machine which can be used for the labeling of front-back on flat bottle, top labeling & 7 if required it can use for labeling of round bottles/round jar if you are buying this machine then you don't need to purchase diff. Diff. Machine for diff bottles/jars by this machine you can save the space as well as money.
2. Plc based control panel & touch screen him operating panel.
3. Body & structure made of ss:304.
4. All dispensers adjustable with handle.
5. Label dispensers with servo motors (make-panasonic).
6. Motor gear box-MGM VARVELL/BONFIGLIOLI.
7. Sensors – make leuze electronics/sick.

**PHARMA | PESTICIDE | AYURVEDIC | LUBRICANTS | LIQUOR  
| COSMETIC | HOME CARE PRODUCTS | FOOD PRODUCT |**
